

## 2022-2023 Household Application for Reduced Price School Lunch

Please complete one application per household. Please note that our application has changed. Due to financial constraints, we had to update our school lunch program. School lunches have increased to \$4.00 for this school year. We are unable to continue the free lunch to our school families and the new reduced price, if qualified, will now be \$2.00 per lunch.

**Step 1:** List ALL household children including those that do not attend this school
