The month of his/her birthday the student is allowed to choose from a select group of new arrivals in the library. Mrs. Eichelmann will then type a book plate and attach it to the book. The child's name and birthday are typed on the book plate. The book may be taken home by the student for a week before it is placed on the library shelf. The funds collected will be used to purchase additional titles. Students with summer birthdays may join at any time.
